

COUNCIL OF UNIVERSITY OF CALIFORNIA EMERITI ASSOCIATIONS

Historian's Report for April 23, 2013 (Riverside)

When Norah Jones succeeded Ralph Nair as CUCEA's Historian, she began writing a series of Historian Reports describing the first CUCEA meeting at the host campus. She was able to write on the first meeting at four campuses: UCB on October 29, 1987, UCD on October 27, 1988, UCI on April 26, 1990, and UCR on April 25, 1991. Following this tradition, my first report as CUCEA Historian was for UCSC's first CUCEA meeting on October 25, 1990 (See [Historian's report October 2012](#)) . This leaves four campuses in need of a report for their first CUCEA meeting: UCSB on April 28, 1988, UCSD on April 27, 1989, UCSF on October 26, 1989, and UCLA on April 28, 1994.

Norah's first report as Historian was on the first intercampus meeting of UC emeriti associations held at UCLA on April 15, 1981 to discuss mutual concerns and consider the formation of a university-wide organization of emeriti. There were representatives from Riverside, Santa Barbara and UCLA.

Norah report on the first CUCEA meeting at UCR is posted (See [Historian's report 2008](#)).
