Deceased Members, October 2022 – April 2023

Margaret Fitzsimmons – Environmental Studies

We have a complete obituary list for all our 173 deceased Emeriti on our website:

<https://emeriti.ucsc.edu/History/Memorials.html>

The site also provides date of birth and date of death. We extend Memorial coverage to Academic Senate members who die in office or who leave the University if, at the time of death or separation, they have 5 or more years of service and have achieved the age (50 years) and rank (Professor or Associate Professor) sufficient to retire with the Emeritus title.

Meetings

The UCSC Emeriti Association meets five times per year, every other month, typically on the third Thursday starting in September. As of September 2022, meetings were hybrid, both in person and online via Zoom. Videos of the Zoom meetings are available on our YouTube playlist Emeriti Luncheon Talks (<https://tinyurl.com/ucscemeriti>). All of our videos are publicly available, world-wide. Thus, all retirees anywhere can view them; they can be used by faculty for teaching and by other UC campuses. We also have two Emeriti Lectures each year, and we have started a series of History of Science Lectures.
