

## UC Riverside Emeriti Association

April 28, 2022

The UCREA currently has 105 dues paying members (66 life and 39 annual). UCREA meetings continue to be conducted monthly via Zoom and find that this facilitates participation by members from remote locations. We also meet quarterly with the UCRRA Board and we are working together on various projects including luncheons, newsletters (TowerTalk), programs and Long Range Planning to envision our future. In November, we jointly sponsored a Virtual Reception Honoring Retirees and Emeriti featuring a keynote presentation by our new Provost Watkins and a prerecorded musical performance (45 attendees). Two new joint clubs continue to thrive: Mystery Book Club and Interpretive Walks and Tours.

Recent events include:

In addition, UCREA successfully conducted the CUCEA Survey and provided a written report of the results to various entities on campus. We have also reinitiated a Distinguished Emeritus/Emerita award and made our second award in February to Professor Emeritus Wilfred A. Elders (Geology). Our major accomplishment this year relates to a newly established award - the Emeriti Association Graduate Student Travel. Thanks to the many donors who made contributions to this fund in 2021, this new program is now up and running, and the first fellowship will be awarded later this academic year. Last year’s campaign raised gifts totaling \$6,700, and these gifts will later be matched dollar for dollar by funds from UCR’s “Beyond Brilliant” campaign. Given that sufficient funding for current fellowships is now on hand, fundraising efforts for Spring 2022 will be directed toward create an endowment to provide permanent funding for this travel award.

Respectfully submitted,  
Darleen DeMason and Raymond Russell,  
Co-presidents of UCREA
