

## **Report from the UCLA Emeriti Assn. for the October 2021 CUCEA Meeting**

Daniel J.B. Mitchell

During the coronavirus pandemic, the UCLA Emeriti Assn. turned largely to online programming. Below is a listing of recent and planned programming. Paid membership dropped during this period, apparently due to the fact that a postal mailing solicitation of new and renewing members was not done and there was reliance instead on an email solicitation. Big mistake! As a result, we are returning to postal mail as well as email.
